### *New leaders elected to UTC SGA*

Newly elected treasurer Brandon Harden is used to balancing more than budgets and spreadsheets. The junior from Nashville is triple major in entrepreneurship, economics, and marketing, and regularly takes 18 hours of classes a semester. In addition to SGA, he is also involved in Alpha Phi Alpha and the UTC Orientation Office.

*"It's tough to balance it all, but I'm passionate about what I do. I love being surrounded by other campus leaders. They push me to do more and be a better person,"* he said.

In his position, Harden hopes he can become an advocate for students.

*"I want to see campus get more involved. I want students to feel like their voices are being heard and they're making a difference,"* he said.

Harden also hopes to inspire his peers through his work as treasurer.

*"If I can be successful in my position, then anyone can. I want students to look at me and think they can do it too. That they should get involved and make a difference,"* he said.
